I dont like hearing "Trust the Plan", but I gotta say, When Trump keeps on tweeting out things like this, it makes me want to "Trust the Plan"

All the representatives and senators will be there that day to witness the count... 1.5 million patriots will be surrounding congress. All these reps and senators have to face all of us. Trust the plan.

1.2 million showed up for an impromptu rally in DC right after the election. Daddy has asked people to go 3 times now. It's going to be more than 1.5

Did 1.2 million really showed up? I thought it was like 100k?

Numbers I saw quoted were 1.2mil. The media has since been doing it's best to make it seem like it was a couple dozen.

I've heard numbers ranging from 600k-800k.. Multiple sources saying it was not 1m. But I didn't feel it was that far off..

Even that amount is enough to block their exits, and secret exits. If 400k-800k show then that is enough to do as said before, but, also, surround the main areas to prevent escape by helicopter and plane let alone vehicle. They would have to try to blend in which will be difficult since they have protective detail which would make them standout.

It was definitely not 1.2 million people.

It was well over 150k, but definitely not 1.2 million.

There are 2 kinds of "Trust the Plan"s.

One is a bunch of Q shit that makes every bad circumstance for us become a buildup for next time.

The other one is actually trusting that POTUS isn't going to leave us in the mud with this, and he realizes America and Democracy are at stake.

[permalink](#) [parent](#) [save](#) [report](#) [block](#) [reply](#)

Also considering the source of who is telling us to "trust the plan", and in this case it's coming from the very top chain of command...

It's interesting, after all of this is said and done and we are into President Trump's second term, his base is going to be STRONGER after this because of the fraud and back stabbing against him.

Had the democrats just took their L in 2020 and regrouped for 2024, they might have had a chance, but after this, after everything comes to light, the democrats may have just locked themselves out of the White House for another 8 more years after 2024 when we roll out the next MAGA candidate (I'm thinking either Ivanka or Jr.) to keep the Trump Train rolling!

Interestingly, this is also why the Democrats are fighting tooth and nail and using every dirty trick in the book to defend their fraud, because when they lose this election, they are going to be BTFO into the Shadow Realm.
